Campo exam registration
Aufbaumodul Language and *Hauptmodul* Language

The following applies to teaching degrees (*Lehramt*), exam regulations from WS2020 onwards:

- Please note that module grades for the *Aufbaumodul* Language and *Hauptmodul* Language can only be recorded on *campo* once both courses for the module have been completed.
  - *Aufbaumodul* Language = Practical Phonetics and Speaking Skills
  - *Hauptmodul* Language = Grammar & Vocabulary and *Übersetzung* E-D

- Students should do both courses in a module in the same semester.

- If this is not possible, students should register for the module exam in the semester in which they take the second course and complete the module.

- The module grade is calculated on the basis of three tasks (portfolio) from two courses. The module grade is recorded on campo. The individual task grades are not recorded on campo.

Examples:

- *I am taking Grammar + Vocabulary and Übersetzung E-D this semester* → Register for the module exam on campo this semester. Your module grade will be calculated and recorded on campo this semester.

- *I am taking Practical Phonetics this semester but I have not taken Speaking Skills yet* →Take the Practical Phonetics exam this semester, but do not register for the module exam on campo this semester. Take Speaking Skills next semester and register for the module exam next semester. Your module grade will be calculated and recorded on campo next semester.

- *I have transferred to FAU and have had a course I completed at another university recognised as one part of a module (e.g. Übersetzung E-D)* → complete the other course in the module (e.g. Grammar + Vocabulary) and register for the module exam in the same semester. Contact the respective module coordinator with evidence that your other grade for the module has been recognised.
  - *Coordinator Aufbaumodul Language* (Practical Phonetics and Speaking Skills): Dr. Ned Reif
  - *Coordinator Hauptmodul Language* (Grammar & Vocabulary and Übersetzung E-D): Susanne Kollmann

- *I am leaving FAU and would like a record of my grade for just one course in the module for my transfer to another university* → contact your course teacher with your request. Do not register for the module exam on campo if you have not taken both courses in the module.

- *I am an Erasmus student and I am only taking one course in a module.* → There are special campo exam codes for Erasmus students for Speaking Skills and for Grammar & Vocabulary. Please register for these exams in the semester in which you take the course.
